A special moment for Frank Diaz, Commander of Post 41. He had a one on one meeting with President Biden at El Portal on Tuesday, March 19, 2024.

The new leadership team of Post 41 and affiliate families continue to build on the traditions of the founding members of the post by continuing with those community events that support those in need.

IMPORTANT NOTICE:

General Membership meetings are held the first Thursday of the month at 7:00 p.m. Your participation is important. Your input and interest is helpful. The Executive Board meets on the Tuesday before the General meeting, and meets again two weeks later. You must call the Adjutant, or Commander if you have a need to come before the Executive Board.

Here is the team of the American Legion Post 41 Children & Youth Committee that made it possible for children in our community to enjoy Easter on Saturday, March 23, 2024. There was food for the families. There were raffles for the children and parents. The children received Easter Baskets, there was face painting and other games.
